Hello there! We are excited to launch our new Resident Mixer series RE:MIX. Our first mixer will be on Wednesday, August 10 from 6-9pm on the 37th floor of the Gas Company Tower.

At these mixers, we invite the residents in our district to enjoy an evening of mingling, meet the businesses around the neighborhood and make new friends. We will be having a live dj, activities by [Joymode](#) and [Raw Materials Art Supply](#).

I would like to personally invite you to showcase your business at the mixer. There is no cost for you to showcase, however, we just ask that you provide some type of small bite, product sample, giveaway, etc. for the residents. Be creative! We will supply you with the table and space. We are expecting 100-150 residents to attend this mixer. This is a great opportunity for you to get in front of our residents and let them know all the great things your offer. If you are unable to showcase, you also have the opportunity to place something in our DTLA Resident Swag Bag.

If you would like to be a part of this mixer or have any other questions, please let me know.

Below, is just one of the views we will have at the event!
